#### **What's the book about:**

A young couple accidentally toss out a pair of dancing shoes and inadvertently disturb a ghost. This unfortunate incident puts the ghost, Julia, in a repetitious cycle of searching for her shoes every Saturday night at seven o'clock. Julia begins stealing all unattended white shoes and collects them on the front steps of the old Savannah Social Club where in 1942. It was there that she was run over by a bus while trying to cross the street on her way meet a handsome young soldier for a night of dancing.

A local root doctor insists Julia's shoes must be found to solve the problem. But when the shoes are located, more turmoil erupts. With her dancing shoes on, Julia needs another dancing partner so she's kidnapping military personnel to find the perfect one. Now the only solution is to raise up the dead soldier Julia was supposed to meet in the forties. Then everything can go back to normal in Savannah. Except that it doesn't. Who knew raising one soldier could cause so much pandemonium?

**Why should people read the book?** This book is a fun easy read that takes place in Savannah. (locals will recognize the places mentioned and visitors will go out looking for them) There are no bad words, just plenty of lighthearted humor. I wrote the jitterbug lyrics myself. (*That Savannah Swing, Dad For The Jive, The Graveyard Swing, Hey Ed, Don't Be Dead*) Anybody who enjoys ghosts, romance, Savannah history and swing dance music will find this book a delightful adventure.
