

Savannah Author Releases Third Fiction Ghost Book-- *Zombie's Y'all!*

JK Bovi, local Savannah author of Young Adult & Teen Paranormal Humorous Books, has a new book released, *Zombie's Y'all!* from Vinspire Publishing.

Although zombies can be a bit gruesome JK Bovi brings the undead to life in a delightfully funny story about students and local townsfolk who gallantly fight a hoard of infected zombies to end the Zombie Apocalypse before Savannah becomes a ghost town without any ghosts!

JK Bovi grew up in Delaware, graduated from East Carolina University School of Art. She worked in the composing room of *The Wall Street Journal* and is a professional Graphic Designer. She moved to Savannah nine years ago and was instantly captivated by the city's unique charm and diversity. She enjoys exploring the city's hidden haunts, immersing herself in the low country culture, and writing about its unique people and lifestyle.

Her additional publications; *Wicked Haints* and *Dead Man's Fingers* also take place in Savannah. The stories are full of southern humor, colloquialism, and charm. Books by JK Bovi are fun, easy to read, and guaranteed to make everyone laugh – *even the dead!* *Zombies Y'all!* is now available and can be found in the Art Emporium on River Street, CJ Hallmark in The Village, E.
